Five Seat Configuration (5+2)

A rear bench of three and twin captains chairs. Configured either way round, featuring a foldable table unit with convenient cup holders. All elements are adjustable using the integrated floor rail system.

Six Seat Configuration (6+2)

Two triple-seat benches allow for six passengers to travel in comfort in the spacious rear compartment. Benches are configurable on the integrated floor rail system, allowing priority to passengers or luggage load.

Quilted and Perforated Leather

Each interior configuration can be fully customised with a selection of rich colours and leather finishes. Sumptuous perforated leather seats allow air to circulate, ensuring that each passenger is in complete comfort.

Ambient Lighting & Starlight Roof

A twinkling night-sky effect is created via hundreds of shimmering fibre-optic lights, woven into the headlining.

Combine ambient lighting and the starlight roof to experience the height of relaxation, in climate-controlled comfort.

Luxury Curtains

For total privacy; windows can be covered with luxurious Alcantara curtains to block out all exterior light. Paired with factory privacy glass no strong light and less heat from entering the vehicle, giving you the comfort and privacy you need to relax.

On Board Wi-Fi

We install on board wi-fi, allowing passengers to access their favourite shows and stream whilst on the go. Connection is made easy with QR codes to scan on the door pillars.

Seating Features

Our premium seats are equipped with heating and air conditioning as well as therapeutic massaging and reclining capabilities.

Premium seats are constructed with memory foam finished in luxurious perforated leather, allowing for greater temperature control.

Cooled Drinks Compartment

Our Executive model range is equipped with a central console that discreetly houses a refrigerated drinks compartment for your preferred refreshment.

Centre Console

Convenient fold-out tables are stowed-away seamlessly in the centre console. Paired with Climate controlled cup holders for hot and cold refreshments.

Each table offers ample room for laptop docking, and on-board Wi-Fi provides passengers with a complete mobile office space.

Climate Controlled Cup Holders

The centre console contains a neatly incorporated heated and cooled drinks holder. Keep your beverage at the desired temperature for the duration of your journey.

On Board Entertainment

Apple TV provides a complete entertainment facility. Front and rear screens allow all passengers to enjoy.

AC13 offers games-console installation for those passengers seeking an extra thrill. From entering the vehicle, giving you the comfort and privacy you need to relax.

Charging Stations

Premium seats are equipped with wireless charging unit, in-built in to the leather upholstered arm rest as standard.

Additional charging ports are located in the front of the armrest, allowing for multiple devices to charge simultaneously.
